SMA eMobility Portal

Onboarding Service for SMA EV Charger Business

Dear SMA customer,

thank you for choosing the SMA EV Charger Business, our new commercial charging solution. This device uses the new **SMA eMobility Portal** to visualise charging sessions, manage authorisations, process payments and much more. In order to set you up for quick and easy access to this platform, we will need some additional information. This data will be treated according to our current data privacy guidelines. **ADVICE:** If you should encounter any issues while trying to submit this document from a web browser, please use a PDF viewer instead such as Adobe Acrobat Reader.

Order via E-Mail: onboarding-emobility@sma.de
