Re: Manufacturer's Certification Statement for Residential Energy Property

Dear Valued Partner,

Manufacturer's Name: SMA Solar Technology AG

Manufacturer's Address: Sonnenallee 1, 34266 Niestetal, Germany

SMA Solar Technology AG certifies that the inverters and accessories listed in Attachment A to this certification meet one or both requirements cited as "solar electric property". For dwelling units, the inverters and accessories listed in Attachment A are qualified solar electric properties per IRS Code Sec. 25D. Residential Clean Energy Credit. The listed inverters and accessories are properties that use solar energy to generate electricity for use in a qualifying dwelling unit. The items in Attachment A qualify as "equipment which uses solar energy to generate electricity".

Under penalties of perjury, I declare that I have examined this certification statement, and to the best of my knowledge and belief, the facts presented are true, correct, and complete.

Sincerely yours,

A handwritten signature in cursive script that reads "Charles Smith".
